**28 JUNE 2023**

5:30 -7:00 PM

10488 W 6th Pl, Lakewood,  
CO 80215

Join us in launching our new and best-in-class, digital implant  
workflow.

**Description:**

Review recent advances in computer-aided design and manufacturing (CAD/CAM) and implant dentistry.

Explore the possibilities offered by a fully digital implant workflow, eliminating the need for implant-level impressions or impression appointments altogether.

Reduce costs with pre-negotiated lab pricing and save your most valuable resource, *your time*.
